O k, it's true... We can't deny that we adore blondes! It doesn't matter whether a lovely lady is blessed with a beautiful golden mane of hair from Mother Nature or if she gets a little help with caramel highlights from her stylist at the salon, because we just can't get enough of gorgeous girls with blonde ambition.

Did you know that 60 percent of the world's population are brunettes? It's true, and they come in a delicious variety of color combinations—from chestnut and brown sugar to maple and mahogany. And while you might think we are partial to blondes, we've got much love for raven-haired beauties.

Natural redheads are so rare that they account for only about five percent of the world's population—but wow, do they make a huge visual impact! With fair skin and freckles a stunning redhead embraces her unique shade of ginger, auburn, copper and burgundy—proving that being red is definitely sizzling-hot!

LETTERS OF THE MONTH

✂ The sultry and playful photos of Kayla Love in the new *Wet & Wild* issue were incredibly hot! I'd let her spray me with her hose any day of the week! Let's see more of this gorgeous girl! ...L.G.

✂ *Natural Beauties* never disappoints, but the best surprise of the recent issue was seeing one of my favorites from the Playboy Girls Network—Jordan Bridgen. She is stunning and took my breath away in her first SE appearance. Certainly hope to see so much more of this beauty. ...ts77

✂ The new *Hot Housewives* issue was simply sensational! Amber Lopez gives new meaning to good housekeeping and is one domestic diva who clearly earns my seal of approval. And Jessica Danielle Hall (left) is a sexy confection whose appearance put the icing on this all-around delicious issue. Great job to all involved in its making. ...J.E.B.

✂ In my opinion, Sarah Pipkin is perfect! Her beauty is all-around complete—her eyes, smile, breasts, booty, tummy and legs are amazing. Please give her a shot at a cover and consider her for the next Model of the Year lineup. ...Ted
